

Humor's Healing Power: You Gotta Laugh!

Why Boys Need Parents **(Source: Anonymous Forward)**

This funny is for parents of boys, sisters of boys, boys who have grown older, and anyone who ever knew a boy. *(To be fair, one of these days I hope we come across one of these about girls, but until then, we hope this gives you a chuckle.)*

You find out some interesting things when you have sons, like...

1. A king size waterbed holds enough water to fill a 2000 sq. ft. house 4 inches deep.
2. If you spray hair spray on dust bunnies and run over them with roller blades, they can ignite.
3. A 3-year old boy's voice is louder than 200 adults in a crowded restaurant.
4. If you hook a dog leash over a ceiling fan, the motor is not strong enough to rotate a 42-pound boy wearing Batman underwear and a Superman cape. It is strong enough, however, if tied to a paint can, to spread paint on all four walls of a 20x20 ft. room.
5. You should not throw baseballs up when the ceiling fan is on. When using a ceiling fan as a bat, you have to throw the ball up a few times before you get a hit. A ceiling fan can hit a baseball a long way.
6. The glass in windows (even double-pane) doesn't stop a baseball hit by a ceiling fan.
7. When you hear the toilet flush and the words 'uh oh,' it's already too late.
8. Brake fluid mixed with Clorox makes smoke. Lots of it.
9. A six-year old boy can start a fire with a flint rock, even though a 36- year old man says they can only do it in the movies.
10. Certain Lego's will pass through the digestive tract of a 4-year old boy.
11. Play dough and microwave should not be used in the same sentence.
